

Community Partnerships

Supporting and working with community groups and clubs to promote a deeper understanding of local health and care needs and experiences

Spotlight on

CLIO3

CLIO3 stands for Council and Local Information Online which is an online, easy to use database commissioned, populated and updated by West Sussex Library Service.

It provides access to preventative support resources based on location and need across all West Sussex.

CLIO3 is the latest evolution of CLIO. CLIO1 – the original CLIO has been used by library staff across all 36 libraries for over 10 years.

CLIO2 was created during the pandemic to help staff working in the West Sussex County Council (WSCC) Community Hub answer Covid related enquiries from residents.

The screenshot displays the CLIO3 website interface. At the top left is the CLIO logo with the text 'Council & Local Information Online'. A 'Home' button is visible in the top right. Below the logo is a navigation bar with the text 'Welcome to Council & Local Information Online (Preventative Support)'. The main content area is divided into two columns. The left column contains three search sections: 'Search by Location and Need' with dropdowns for 'Select Location' (ALDWICK) and 'Select Need' (Abuse), and a 'Go!' button; 'Search by Keywords' with a 'Select Location' dropdown (ALDWICK) and a text input field 'Enter search text...' with a 'Go!' button; and 'Search by A-Z'. The right column is titled 'Information Newsboard (West Sussex)' and contains three news items: 'Reading Well for Dementia' (Wednesday 15 May 2024), 'Shoreham - Dementia Awareness Workshop' (Wednesday 15 May 2024), and 'Recycling Community Care Equipment' (Thursday 9 May 2024).

Within CLIO3 there are 3 layers of targeted support:

- **County** - organisations offering support across West Sussex
- **District** - support from District and Boroughs
- **Local** - support local to a community and place

It aims to provide community based preventative support for a broad range of practitioners, including WSCC Prevention Assessment Team, Adur & Worthing Council, Mid Sussex Voluntary Action, social workers, social prescribers, West Sussex Mind to name a few.

For help, advice, and information or to share your story

Healthwatch is your health and social care champion.

If you use GPs and hospitals, dentists, pharmacies, care homes or other support services, we want to hear about your experiences. We have the power to make sure NHS leaders and other decision makers listen to your feedback and improve standards of care. We also help people to find reliable and trustworthy information and advice

Last year, we helped nearly a million people like you to have your say and get the support you need.

If you are setting up or would like to share news of a similar project we would be interested to hear from you. Please contact Cheryl Berry, Community Partnership Lead: cheryl.berry@healthwatchwestsussex.co.uk
